How to Join a Google Meet

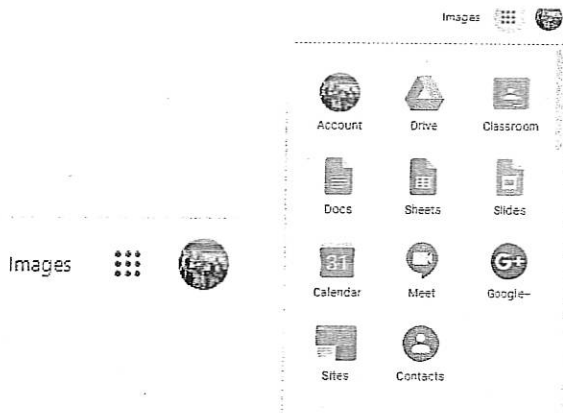

Dear Parents,

We want to help!! Here are some instructions and a schedule of this week's google meets so your child can get help, say hi, visit, seek clarification, etc. I think some of you may not be receiving my weekly videos. If you haven't received them please contact the office between 8-12 Monday-Friday. The best way to keep you informed is to make sure you have the information you need! If your child would like to join a google meet here are the steps:

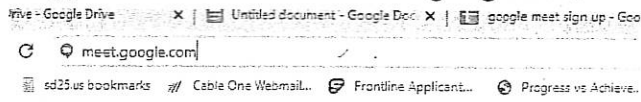

1. Make sure you are logged into your school district google account.

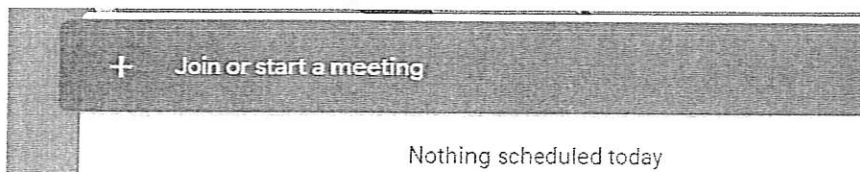

2. Click on the waffle and then click on "meet"

3. Or type in the address bar: meet.google.com

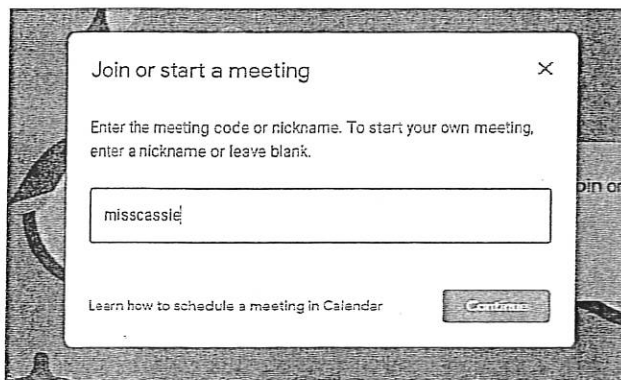

4. Click Join or start a meeting

5. Type in the google nickname found on the spreadsheet for the time you are trying to reach us.

We hope this helps and we hope we get to see you soon! I randomly pop in and out of the google meets. If I catch you in one of them, you may get a surprise!!!

Please let us know what we can do to help. Please tell your children that we love them and we miss them. I can't say it enough, but it's true. This has been a hard week watching desks be cleared out and art taken off the walls. It's truly heartbreaking. But, we know that when we all return to school it will be a glorious reunion!!!!

Sincerely,
Janelle Armstrong
