Hello Indian Hills Families!!

Indian Hills Elementary School is quiet and a little bit boring without our learners. As a staff, we miss all of our students and their families. You bring smiles and energy to our lives.

As we continue our at home distance learning for another 4 weeks, remember how important learning is and how fun it can be. Please do your best to complete the assignments that your teachers give you, but also make time to learn about other things: your backyard, nature, your family, a new hobby or interest. There are so many learning possibilities. We would also like you to share your learning with us. Please email any of us here at school or send us letters.

Sincerely,

Jill Johnson

We appreciate all your efforts to work with our precious learners! We recognize that it is not easy, but we thank you for being on our team to help your child learn and grow! Give yourself a pat on the back for all your hard work and give your kiddo a hug from all of us at Indian Hills.

If you have a fine for a lost or damaged book, the fine will be waived. You will start the fall free and clear of any library fines! However, we still need you to returned your library books - Monday mornings from 8-12 at the school. Thanks!
